

The **Universe 80/168** is the ideal mobile steam cleaner for tackling heavy duty industrial cleaning applications. Delivering both excellent Dry Steam and powerful Highly Saturated Steam, it easily removes lubricants, oil, graphite, hard grease and stubborn dirt from equipment and plant machinery. Diesel driven with innovative steam delivering technology, it is fitted with an ergonomic heavy duty pistol grip which allows direct remote and immediate control of both steam output and detergent facility if required. Equipped with a range of industrial accessories and with three detergent output levels, it provides the user with unrivalled steam power for the toughest applications in a wide variety of industry sectors. With the superb steam volume generated and its low water consumption it offers a truly environmentally friendly alternative in many cases to the traditional and water thirsty high pressure washers. Raising standards and improving results, the **Universe 80/168** is a true cost effective industrial cleaning machine. OspreyDeepclean, unleashing the power of steam.

Universe 80/168

Power Requirement	230 Volt 50/60Hz
Maximum Power	80KW Heating Oil EL driven
Variable Steam Output Volume	78 kg/hr to 168 kg/hr
Steam Pressure	10 Bar Nominal (12 Bar Max)
Nominal Steam Temperature	180° C
Heating Up Time	4-5 Minutes
Autonomy	Continuous Operation
Detergent Functions 3 Levels	LOW 160g/min MEDIUM 260g/min HIGH 480g/min
Detergent Tank	Capacity 20 Litres
Indicator for lack of water	Yes
Indication Lack Of Water	Yes
Cable Length	5 Metre
Machine Dimensions (cm)	125 x 59 x 84
Net Weight	180Kg
Shipping Weight	195Kg
Certification/Marking	CE, IPX4
Adjustable Pressure Output	Yes
Incorporated Vacuum Unit	No
